S.W.¼-22-51-W.4th Meridian.
Squatter's claim of Augustin Gladue.

The evidence in this cases shows that Mr.Gladue has been in residence for some years and has made improvements in the shape of buildings, fencing and breaking.

Mr.Gladue is not entitled to make a homestead entry and the land is not within the tract in which a purchased homestead may be entered for. The Inspector's recommendation was that the land be sold to Mr.Gladue at the regulation price.

The Minister decided that it would be necessary for the Inspector to furnish a report as to the value of the surrounding land and the comparative value of the quarter section applied for. (The memorandum of the 2nd April last, marked).

Mr.Homestead Inspector Bannerman now states that the land in question, as well as the major portion surrounding it is rough and broken, and is more suitable for a grazing country than for farming, and values the parcel, as well as the surrounding land at $3.00 an acre.

The point now to be decided is whether the quarter section is to be sold to Mr.Gladue at the valuation placed thereon by the Inspector.

Mr. H.B. Perrin,
Dom. Lands Branch.

I have your memorandum of the 4th instant respecting the desire of Mr. A.C. Gillies to obtain the SE¼ of section 6, township 14, range 7, west of the 4th meridian as a preemption.

As previously reported this land has been sold to The Southern Alberta Land Company but is not yet patented to them.

I note that Mr. Gillies claims that the above quarter section cannot be irrigated owing to its situation.

In this connection I may say that one of the conditions under which the lands were sold to the Southern Alberta Land Company provided that a certain area or proportion of the entire tract sold to them shall be irrigated but it is not necessary that a certain area or proportion of each quarter section shall be irrigated.

Patent has not yet issued to the Southern Alberta Land Company because of financial difficulties which have prevented the Company from completing the irrigation works. There is no likelihood at the present time of the above quarter section reverting to the Crown.

Sir,

I beg to acknowledge the receipt of your letter of the 4th ultimo, with respect to your desire to obtain pre-emption entry for the S.E.¼ of 6--14--7, W. 4th M., and in reply regret to inform you that there is no likelihood of this quarter-section becoming available for the purpose indicated as it has been sold to the Southern Alberta Land Co., in connection with a certain area to be irrigated.

I may point out that one of the conditions under which the lands were sold to the Southern Alberta Land Company, provided that a certain area or proportion of the entire tract sold to them should be irrigated, but that it was not necessary that a certain area or proportion of each quarter-section should be irrigated.

Sir;

I beg to enclose herewith an affidavit made by Mr. Telesphore Mercier of Belvedere in which he states that he was informed of breaking on the E. ½ of 4-59-4 W. 5th and that 11 acres cleared. He also states that he had 40 acres fenced but that it was about three years ago and that he now has material on the land for fencing. He built a Bridge and also dug a Ditch to drain this quarter section in 1-99, which he considers worth $100.00, and cut about 15 miles of road to this quarter section. On the 23rd of April last Mr. Wilson Stewart was granted entry for this land and there was nothing on file from Mr. Mercier at that time to show that he was a squatter on the land and had improvements thereon. There is a declaration on file again the E. ½ made by Mr. Mercier before the agent [illegible] states that a mistake was made in the description of land, as the buildings and improvements were performed on the S. W. ¼. Please advise what action should be taken in this matter.

QUERY

ANSWER

One, James Lindsay, of Edmonton, applied under date the 15th March last, for pre-emption entry for the S.E.¼ of Section 5, Township 59, Range 4, West 5th Meridian, but his request to have this quarter-section reserved for him was refused.

Chief Clerk.

corral, with hay roof 24x175, $100.00, and stable for 12 horses and other improvements. He has about 175 head of cattle, 12 horses, pigs &c.,

The lands referred to, excepting the S.W.¼ of Section 4, Township 59, Range 4, West 5th Meridian, which was entered for as a homestead on the 23rd April last, by Mr. Wilson Stewart, are unsurveyed as in the records of the Patent Branch and in those of the Timber, Grazing and Irrigation Branch, and the odd-numbered Sections are not railway lands.

In his declaration before the Surveyor, dated the 19th September, 1906, Mr. Vaunier claimed the S.W.¼ of Section 4, Township 59, Range 4, West 5th Meridian, as a homestead, stating that he had gone into bona fide residence thereon in July, 1906, and resided there ever since, and in a supplementary declaration dated the 3rd May, 1907, he gives further particulars as to his improvements on this quarter.

On the 17th instant, the Agent of Dominion Lands at Edmonton was advised to instruct the Homestead Inspector to visit the S.W.¼ of Section 4, Township 59, Range 4, West 5th Meridian, and make a careful report as to the residence performed and the value of the improvements made thereon by Mr. Vaunier, and also to call upon Mr. Wilson Stewart, the present entryman, to show cause why the entry should not be cancelled, on the ground of misrepresentation when making entry, and give him 30 days to file a defence. Sketch attached showing lands applied for, but records of survey have not been received yet.

DOMINION LANDS AND CROWN TIMBER OFFICE.

Edmonton, Alta., 17th. June 1907.

Sir,

With reference to the declaration made by Mr. Telesphore Mounier before Surveyor Fawcett in September last as to certain lands in Townships 58 & 59 Range 4 W.5 M., I beg to say that he called at the Office recently and stated he was under the impression when he squatted that he could acquire considerably more land than the homestead allowance and holding that idea he fenced in the S½-4 and the S½-5 in Township 59 Range 4 W.5 M. and the N.E.¼-33-58-4-W.5 M. He has been ranching there since 1899 and in his declaration before the Surveyor, he stated he wished to ~~purchase~~ homestead the S.W.¼-4-59-4-5 and purchase the balance. He finds now that he is unable to hold all this land and as he has 10 acres breaking on the S.W.¼-4, and 30 acres on the S.E.¼ 4 he wishes to be allowed to hold this land in the way abovementioned.

The Survey shews him to have been living on the N. E.¼-33-58-4-W.5, but he does not wish to hold that land nor the S½-5 in the Township to the North.

The Homestead Inspector has been asked to report in this matter, more particularly as to the S.W.¼-4 which was homesteaded by one Wilson Stewart who claimed there were no improvements thereon when he obtained entry, but in the meantime, Mr. Mounier wished me to advise the Department of his position in the matter.

Sir,

Replying to your letter of the 19th ultimo, I am directed to say that it is not within the province of this Department to advise you with regard to the matter of taxes about which you inquire. You should apply to the Provincial authorities for the information required.

Your obedient servant,

Assistant Secretary.

Telesphore Mounie[illegible], Esq.,

August last.

In this connection I would direct your attention to the fact that the Homestead Inspector when reporting on this quarter-section on the 23rd of March last stated that there were sixty-five acres of hay land. The Inspector recommended that the then existing entry should be cancelled, and that the quarter-section should be reserved for hay land for the use of settlers, as most of the persons living in the vicinity were scrub and brush land.

This application was mentioned in my report of the 4th of June.

A letter something will now be sent in the direction of cancelling Mr. Meunier's entry for the South-west quarter of section 4, as it appears that entry will not be allowed in view of the Inspector's report.

If you approve, upon the Department after cancelling the entry for the South-west quarter of section 4 would be in a position to proceed with the case in the event of the Deputy Minister's decision above quoted, that is to say, that Mr. Meunier would be given an opportunity of entering for either the South-east or North-east quarter of section 4, and purchasing the remaining quarter of the east half of section 4 at $3.00 per acre.

A declaration is now submitted (Item 4) from William Sobil, setting forth that Mr. Meunier was a bona fide settler prevented to survey, and that he, Sobil, obtained 5 acres of land from Mr. Meunier on the east half of section 4, previous to survey.

Respectfully submitted.

Referring to my memo of the 4th of June last, the decision was that Mr. Meunier might acquire the East half of Section 4, homesteading one quarter-section, and buying the other quarter-section at $3.00 per acre, provided he could show occupation by improvements prior to survey.

In the meantime Mr. Meunier has made home stead entry in the ordinary way for another quarter-section, the South-west quarter of Section 4.

The records show that on the 9th of June last the Agent instituted proceedings against the previous entry for the South-west quarter of Section 4, on behalf of Mr. Meunier. Cancellation was carried out by default in the ordinary way and Mr. Meunier secured entry on the 23rd of August -

I beg to acknowledge receipt of your letter of the 14th ultimo, and in reply to say that you will not be permitted to place a south african bounty warrant on the quarter-section [illegible] corner of 4-[illegible]-W.

Before further action is taken, the Land Inspector is being asked to instruct the forestry inspector to make a supplementary report with regard to the south-east ¼ of section 4, in view of your statement that it was your own work which made this quarter-section valuable for its hay.

The forestry inspector visited this [illegible] of March, 1909, and reported that you had made improvements on this quarter-section after survey, but recommended that on the [illegible] sixty-five acres [illegible] lake on the quarter-section it should be reserved and not for the use of settlers. The Inspector will probably be able to furnish the information now required from his notes, and if a report from him it will then be decided whether the reservation of the south-east ¼ of section 4 for hay should be continued.

Squatter's claim of Tolmie's Ferrier.

This case has been before you several times already. Mr. Ferrier has been a squatter since 1901 and has had a considerable herd of stock in each year.

It was decided some time ago that Mr. Ferrier might be permitted to buy homestead entry for one quarter section purchase another at $3. per acre. Mr. Ferrier first entered for the Southwest quarter of section 4, Township 11, Range 4, West of the 2nd Meridian, but this land was found to be partly covered with water and unfit for cultivation.

A report has now been received from the Dominion Land Inspector in Calgary stating that the claim was duly entered on that date in the name of Mr. Ferrier and that the land is fit for cultivation for the most part. It is further stated that this land was duly entered for by Mr. Ferrier himself.

I would therefore recommend, upon the Inspector's report, that the patent may be issued to Mr. Ferrier for the land.

cleared 50 acres of land for Mr. Meunier on the East half of Section 4, previous to survey.

In order to carry out the intent of the Deputy Minister's decision I think Mr. Meunier might now be permitted to purchase the South East quarter of Section 4, which adjoins his present homestead. On this quarter section, the improvements, according to the report of the Homestead Inspector, are as follows, (File 1367315) :-

Ornary,	150.00
Fencing,	85.00
Implement Shed, 14 x 16,	300.00
43½ acres heavy clearing brushing, scrubbing & breaking, at $25 per acre,	940.00

If this is approved an Order-in-Council will be necessary to carry out the Sale.

Memorandum:-

Squatter's Claim of Telesphore Meunier.

Referring to my memo. of the 4th June last the decision was that Mr. Meunier might acquire the East half of Section 4, Homesteading one-quarter section and buying the other quarter section at $3.00 per acre, providing he could show occupation by improvements prior to survey.

This decision cannot be carried out exactly as worded, because in the meantime Mr. Meunier has made homestead entry in the ordinary way for another quarter section, now the South-West Quarter of Section 4.

A Declaration is now submitted(1900254) from William Kolbig setting forth that Mr. Meunier was a bona fide settler previous to survey and that he, Kolbig,

August last.

In this connection I would call your attention to the fact that the original contract with [illegible] quarter-section on the ford of Leech Lake River was sixty-five acres of hay land. The [illegible] that the then existing entry would be [illegible] quarter-section should be reserved for hay [illegible] settlers, as most of the persons living [illegible] ready cultivated land.

Dear Sir,- Re Telesphore Lounier.

Mr. Lounier has entered for the S. E. ¼ 1-49-4-5 as advertised. He desires to acquire the S. E. ¼ of the same section as the S. E. ¼ 35-50-4-5 (as sought) to apply on his scrip warrant. It appears that the former location should be adjoining as used by applying scrip upon it and the S. E. ¼ is the only available in this township. Finally, if the Act cannot be satisfied by the location of the scrip on the S. E. ¼-4 the S. E. ¼-33, he might be permitted to enter for the S. E. ¼-4 as a homestead and given standing as of his original entry on the S. E. ¼-4.

On his entry Mr. Lounier went into and started before survey and erected machine shops for along time in improved this and other quarter sections the course of his machine operations. His matter has not legal rights, it is hoped that he may be given some priority in the matter of rights to acquire.

Yours truly,

Sir,

N.E.¼ 27-56-4-W.5th M.

I beg to acknowledge the receipt of your statement of the 29th November last, which was forwarded here by the Agent of Dominion Lands at Edmonton, the contents of which have been noted.

I am now to state that provided your father was in residence with you during the time you lived on the south east quarter of Section 4, Township 59, Range 4, West of the 5th Meridian, and was owner of the said land, the residence duties appear to have been performed in accordance with the regulations. In view of such vicinity residence the cultivation required will be the breaking of the equivalent in cost of fifty acres of ordinary prairie land, a reasonable proportion of which has been sowed to crop in each of two years, breaking and cropping to cover a period of three years.

The cancellation proceedings will, therefore, be held over until the 15th July next, by which date it will be necessary for you to satisfy the official aforesaid that you have broken at least the equivalent in cost of twenty-five acres of ordinary prairie land and have sowed a reasonable area thereof to crop.

Dear Mr. Greenway:-

A man by the name of D.J. Tracy obtained a homestead entry for the S.E. 32-9-23-W. 4th. The Old Mans river cuts a piece off the north east corner of this quarter section, and also cuts about 6 acres off the south west corner of the N.E. quarter of same section. There is a high cut bank on the portion of the river running through Tracy's quarter section, but the cut bank does not extend through into the north east quarter of same section. Tracy is frequently cut off from access to the river, and desires to be allowed to purchase the small piece that is cut off the north east quarter by the river. This piece of land as you can see is absolutely useless to anyone else, and I should think that the department would have no objection in making the sale to Tracy.

Yours very truly,

Sir;

Referring to your file No. 1391489 and your request that a visit be made to the North half of Section 32, Township 9, Range 23, West of the 4th Meridian, which is reserved for stock-watering purposes, I beg to say that I examined this land and have much pleasure in reporting on the North East quarter of the section as follows:- The cultivated, or more properly speaking, the cleared area of this quarter section is about [illegible] acres, but the whole of this land is very stony; the north west quarter of the section is also very stony and [illegible] but I have neither seen nor could not be informed.

There is no water on the land reserved for stock-watering purposes. There are two ponds on the north East quarter, near the north East corner, where the people can get some water, but in the driest season there are not more than twelve inches of water in the ponds, [illegible] from the river.

I would recommend that this land be cleared as a stock-watering reserve and fenced in the usual way.

Sir,

I beg to acknowledge the receipt of your letter of the 3rd ultimo, in which you recommend that the North half of Section 32, Township 3, Range 22, west of the 4th Meridian, which is reserved for stock-watering purposes, be withdrawn from the reserve as it is no longer used for that purpose, and that the land be disposed of in the usual way. In your report you state that there are low banks on the North East quarter, near the North East corner, where people can go down easily to the water, and in threshing season there are as many as twelve teams a day hauled from the river. It would appear from these remarks that the North East quarter might be required for water for the settlers residing in the district, and I am to ask you to report further in this regard.

December 30th, 1916.

Sir,

Referring to your letter of the 2nd ultimo, in which you express a desire to acquire that portion of the North half of section 2, township 9, range 27, West of the 4th meridian, south of the river, I beg to say that as this land is reserved for stock-watering purposes, it will not be possible to meet your wishes at the present time. I may say that if a stock-watering reserve is cancelled and the land is fit for agricultural purposes, the practice is to sell the same at public auction, due notice of which is given in the local press. As you have indicated, however, that it is not necessary to cancel the reserve on this land at the present time.

Your obedient servant,

Controller.

Your application has been placed on the file so that you will receive notification in case it is decided to dispose of the land later on.

Sir: Re: Frac. N.E.¼ 32-9-25-4th Mer.
(South of Old Man River)
An Area of approximately 14 acres.

I beg to advise you that on the 16th instant, George Bouger of Monarch, Alberta, made application for homestead entry on the Fractional North East quarter of Section 32, Township 9, Range 25, west of the 4th Meridian, an area of 95 acres. Mr. Bouger has made a written request to the Department that the Fractional North East quarter of Section 32, Township 9, Range 25, west of the 4th Meridian, South of River, be added to the area covered by his homestead entry which would make a total of one hundred and seven (107) under the homestead entry, that in the event of the Department being unable to favorably consider this request he be permitted to purchase the area referred to.

On the 17th instant, Fairfield Horne, President of the Monarch Ranche Limited, made application on Form No. 6, to purchase this area, by the Form No. 59, accompanying this form I am informed that the Monarch Ranche Limited, is the owner of the South East quarter of Section 32, Township 9, Range 25, West of the 4th Meridian, and that the purchasing of the Fractional North East quarter of Section 32, Township 9, Range 25, west of the 4th Meridian, South of River, is required in order that the Ranche stock may have excess to water.

I am enclosing herewith a sketch from the Township Plan for your information. I shall be pleased if you will kindly arrange to visit the land referred to and report fully and promptly in connection with the applications referred to. When dealing with this matter you should refer to the Commissioner's instructions in the circular letter of the 18th ultimo, copy of which went forward to you.

In view of the fact that the area applied for is of very little value for agricultural purposes and also that Mr. Bourer has considerable river frontage I would recommend that the Monarch Ranch Ltd. (Mr. Horne) be permitted to purchase the area at the rate of $5.00 per acre in order that they might have access to the river for their stock. The sale will be subject to their filing evidence that the Monarch Ranch Co. are the registered owners of the S.E. ¼ of the section.

RE:- [illegible]

Referring to my letter of the 24th December last enclosing Homestead Inspector Wilcox' report in connection with the application of George Bouger of Monarch, Alberta to have the above fractional area added to his homestead; the application of Fairfield Horne, president of the Monarch Ranch Limited to purchase this land, it is noted that no recommendation was made in connection with this matter as instructed by Departmental circular on the 18th October last, which is regretted and in view of the information contained in the Inspector's report I would recommend that Mr. Horne be allowed to purchase this fractional area in order to have access to water as he owns the South East quarter of Section 32 and purchased Section 29 at the recent sale of School Lands.

Re Frl. N.E. ¼ 32-9-23-4. 4th Mer.
S. of river, area 13.8 ac. Vacant.

Conflicting applications to purchase the above described land have been received from Geo. Bowser and F. Horne, President of the Monarch Ranch Ltd. in connection with their ownership of the fractional N.W. ¼ of Section 32 and the S.W. ¼ of Section 32 respectively.

The Inspector's report on the applications states as follows:

"In connection with the application of Fairfield Horne to purchase the above described land & conflicting applicant Mr. George Bowser I beg to say that Mr. Horne has gone to quite a considerable expense to put thoroughbred stock on his Ranch and if the above described land is disposed of to another person it will shut Mr. Horne completely away from water for his stock as the bank of the river along the N.E. ¼ of this section is a cut bank straight up and down and the river is not accessible along the N.E. ¼ section.

As Mr. Horne owns the N.E ¼ section I do not think that it would be fair to him to let some one else purchase said land and Mr. Bowser has an area of ½ mile of river front and practically all of it accessible to the river. The river is of a permanent character and it is not liable to dry up, the land referred to is very poor sandy soil and of very little value only for stock watering purposes, as Mr. Bowser has so much river front and is not in need of this parcel for watering purposes and the land being of no value for agricultural purposes and will not graze one head of stock during the season I would recommend that his application be cancelled and I would recommend that Mr. Horne be allowed to purchase this land. I think $5.00 per acre a fair value for this parcel of land."

Sir:-

Referring to your application to purchase the fractional N.W. ¼ of Section 32, Township 9, Range 23, West of the 4th Meridian, lying South of the river, I beg to advise you that it has been decided to permit the Monarch Ranch Limited to purchase the area containing 13.8 acres at the rate of $5.00 per acre.

The sale will be subject to your filing evidence that the Monarch Ranch Limited are the registered owners of the S.E. ¼ of the section. Such evidence may be either in the form of an abstract of title or duplicate certificate which latter, if forwarded, will be returned after having served the purpose of the Department. An abstract of title may be secured from the Registrar, Land Titles Office, Calgary.

Either the whole of the purchase money should be forwarded to the Agent of Dominion Lands, Lethbridge, to whom a copy of this letter is being sent for his information, on or before the 30th April next, or one-fourth of the amount within that time limit and the balance in three equal annual instalments with interest thereon at the rate of 6% per annum. Overdue instalments will be subject to interest at the rate of 7% per annum.

Should a further survey be made of the parcel in question before the issue of patent the area which may be shown on the new edition of the township plan will constitute the basis of the sale.

I may add that the sale in this case will be subject to the right of the Province to take for road purposes without compensation prior to the issue of patent such land as may be required not to exceed two and one-half per cent. of the total area, and likewise subject to the right of the Province to take such area as may be required for right-of-way in connection with drainage projects not to exceed one per cent. of the total area. In the event of a deduction in area being made for either or both of these purposes, the account will be adjusted accordingly.

Sir,-

S.W. ¼ of Sec. 4 Tp. 10 Rge. 23 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above mentioned, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Edward Johnson, Esq.,
Coalhurst,
Alberta.

Your obedient servant,

Assistant Commissioner
of Dominion Lands.

P.S. Your request for the privilege of securing the N.½-32--9--23-W.4th M., North of River, as your second homestead will be dealt with in a separate communication. This parcel is at present reserved for stock watering purposes and in the event of the existing reservation being cancelled at any future time it would be necessary, under the regulations, to post the land for ten days to become available at the expiration of that time to the first eligible applicant to apply therefor. Commissioner of Dominion Lands,
Department of the Interior,
Ottawa, Canada.

Dear Sir:

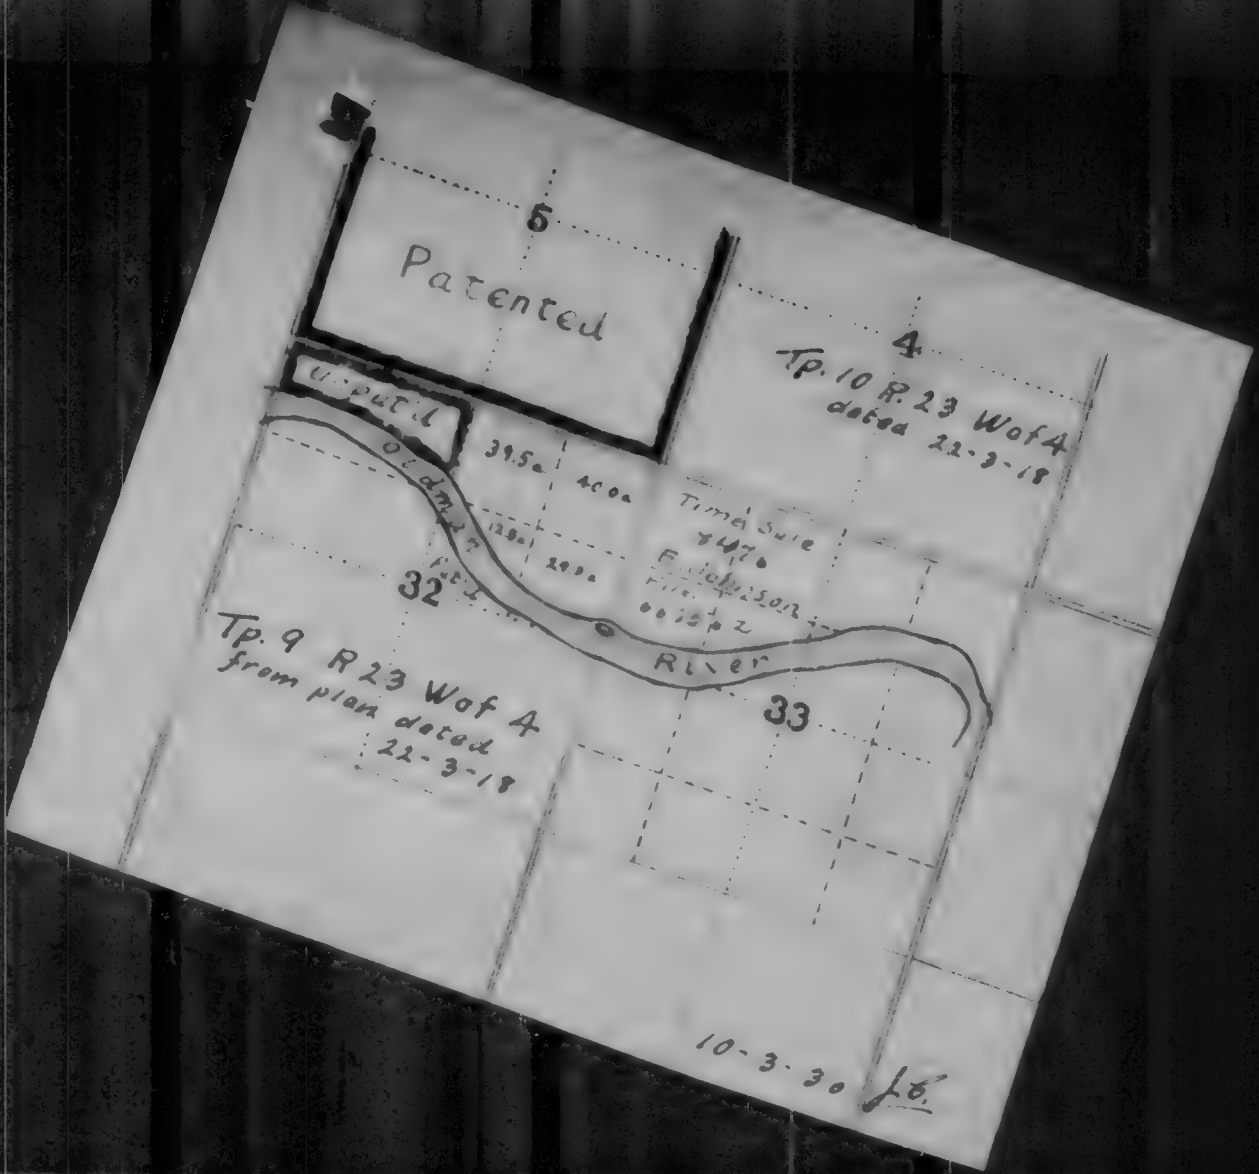

I beg to make application for a second homestead on the North East quarter of section 22-9-23-west of the 4th. North of the Old Man River, but of a fraction of a quarter section of land.

This land is unfit for agricultural purposes and although certain privileges were given to ex-service soldiers to take up this land there are four different applicants have come and examined the property and decided that location of a portion of it being travelled river bottom and the balance being coulee hills that it was unfit to settle upon.

I have occupied this land for the past twenty-seven years using it as a water right for stock in order to enable me to get from my homestead quarter to the river bottom for stock watering purposes. I received my interim homestead receipt No. 3343 on March 7th 1902 for the south west quarter of section 4-10-23 west of the 4th and I have my certificate of recommendation for homestead patent No. 139327[illegible] issued on April 30th 1907 and countersigned on the 23rd day of May 1907 and I have a purchase receipt No 61 issued at Lethbridge on the 12th day of July 1910 for part of the North west of section 22-9-23-west of the 4th. This land joins the fraction of land now applied for. As I have used this portion of land ever since I settled in this district without any complaint from anyone in the district regarding my use of it I am now asking that you grant me a second homestead as herein applied for.

Yours truly,

(Sgd) Edward Johnson.

In connection with an investig tion to determine citizenship will you kindly advise us what your records show regarding the above named who is said to have filed a homestead claim in Rosevere, Alberta, Canada, some time in 1915.

Subject is said to have been naturalized in Cleveland, Ohio, Sept. 20, 1900, and left the United States for Canada in 1914; where he remained until about 1926.

If possible will you kindly furnish us with a copy of application subject prepared prior to taking up the homestead referred to above.

Dear Sir,

Re - Adolph Ernest Janssen.

Your enquiry of November 6th has been forwarded to this office by the Director of Lands, Department of Lands and Mines, Edmonton, and I have had the records of this Department searched to see what information could be furnished regarding the above mentioned man.

Mr. Janssen obtained homestead entry for the NW¼ 20-53-9-W.5th Mer., on April 27th, 1907. His entry for this land was cancelled in 1910 at his request, in accordance with a declaration of abandonment signed by him. He then obtained homestead entry for the NE¼ 20-50-3-W5th Mer., on March 15th, 1911. This entry was cancelled on November 11th, 1912.

As Mr. Janssen did not apply for patent for either parcel of land, he was not required to furnish a Certificate of Naturalisation. When applying for the first land he informed the Agent of Dominion Lands that he was born in Germany and had been living in New York.

Yours very truly,

J. Lorne Turner,
Registrar of Lands.

Please note the 2nd paragraph.

The Under Secretary of State, Naturalization Branch, Ottawa.

I am enclosing copies of an exchange of correspondence between this office and Mr. John R. Northup, Acting Inspector in Charge, Immigration and Naturalization Service, U. S. Department of Justice, regarding the nationality of Adolph Ernest Jansson.

Before patent could be issued for Dominion Lands, it was necessary that a certificate of naturalization be produced by the entrant, but he was not required to furnish evidence of British nationality, or take an oath of allegiance, when obtaining entry for the land. Previous to 1908, an entrant was not required to state his nationality; after 1908, the form of application for entry was changed and contained a clause, just above the space for signature, stating that it was the applicant's intention, if not already a British subject, to become a British subject under the laws of Canada.

Will you please furnish Mr. Northup with any information you may have regarding the naturalization of Adolph Ernest Jansson.

Copy for the Registrar, Ottawa, ref. his letter of December 14, file 1430716.

Ottawa, January 3, 1944.

Sir:

With his letter to this Department of December 14, the Registrar of Births, Ottawa, has forwarded a file of the correspondence which he recently had with you upon the subject of the alleged naturalization of Adolph Ernest Jansson, your file [illegible]-1371 at.

Our files show that Adolph E. Jansson of Edmonton, Alta., occupation oil storm, or former American nationality, was naturalized locally in Canada through the Supreme Court, Edmonton, Alta., on the 19th March, 1909.

If it can be established that A. Jansson did not leave the United States until 1914, the record of Adolph E. Jansson's naturalization at Edmonton in 1909 would not refer to him. In such case there would be no record here of the naturalization of the said Adolph Ernest Jansson and he would be deemed to be an alien insofar as the Canadian naturalization Act is concerned.

"TORONTO":

Mr. Marvie.

Re Special Grant No. 2252,

By Letters Patent of date 9th September, 1926, certain lands were conveyed to La Corporation Episcopale Catholique Romaine de St. Albert, St.Albert, Alberta,

"TO HAVE AND TO HOLD the said lands unto the said La Corporation Episcopale Catholique Romaine de St.Albert, its successors and assigns forever, in trust for the purposes of the Congregation of the Roman Catholic Church of St.Albert, aforesaid, and to be devoted to public purposes within the meaning of Clause Thirty-one of the said Act."

These lands are as follows:

10.07 acres in the South East quarter of Legal Subdivision 1 of Section 31, Township 52, Range 2, West of the 4th Meridian.

As you are aware, at the request of the Department, inspections of all special grants for specific purposes are being made, with the result that if this same information has been submitted by Inspector McMillan, under date 10th February, 1930, to the effect that there was a church on this land at one time but it was moved away seventeen years ago and no one has since been able to find it.

When application for this grant was received the whole quarter section was vacant. The balance has been patented as a homestead. Should the church site ever revert to the Crown it will be available, presumably, for sale to the present owner of the balance of the quarter.

Therefore, inasmuch as this land is not being used for the purpose for which it was granted, I would suggest that the Trustees be

requested.....

and you will be required to submit this transfer, in duplicate, with payment of the fee required, to the Registrar of Land Titles at Edmonton, Alberta, for registration, and thereafter forward duplicate certificate of title to this Department.

Should the transfer submitted not be acceptable to the Department, it will be returned to you with an explanation of wherein it requires alteration or amendment.

Your obedient servant,

Commissioner.

DEPARTMENT OF IMMIGRATION AND COLONIZATION

OTTAWA, May 16th, 1936.

Dear Sir:-

The United States Immigration Authorities are applying to this Department for permission to return as a deport to Canada a man named James Edward Fitzgerald of Entwistle, Alberta, who entered the United States on or about April 12th of this year presumably to visit but it seems that after entering he was offered a job in a logging camp by some man in Seattle, which job he accepted, the result being he is now held at the Immigration Station at Seattle for deportation.

Fitzgerald has told the United States Authorities he was born at Plantagenet, Ontario, on September 7th, 1888, but we have report from our Inspector-in-Charge in Toronto to the effect that there is no record of Mr. Fitzgerald's birth on file in the Provincial Vital Statistics Registers as having occurred at Plantagenet at any time during the years 1887, 1888 or 1889. The Parish Priest at Plantagenet reports that his parish registers do not contain any record of Mr. Fitzgerald's birth or baptism.

It is stated also that Mr. Fitzgerald some few years ago proved up on a homestead described as the Southwest Quarter of Section 14, Township 53, Range 7, West of the 5th Meridian, and if there is a record of this on your files I shall appreciate it if you will advise me to that effect and state what information such record contains as to when and where Mr. Fitzgerald was born and his original citizenship.

Yours truly,

Commissioner.

Dear Sir,

Re S.E.¼ 14-53-7-W. 5th Meridian.
Homestead - James Edward Fitzgerald.
Patented - 17th December, 1929.

I have your letter of the 16th instant, file 608511, stating that the United States Immigration authorities are applying for permission to return as a deport to Canada the above mentioned man. You ask for advice as to the citizenship of Mr. Fitzgerald according to our records.

James Edward Fitzgerald filed on the South West quarter of Section 14, Township 53, Range 7, West of the 5th Meridian, as a homestead on the 13th November, 1925. In filing he stated that he was born in the Province of Ontario and that his last place of residence was Entwistle, Alberta. According to his statement his family at that time consisted of himself, 34 years of age, his wife, 22 years of age, and 6 children under the age of 13 years.

Mr. Fitzgerald executed an application for patent duly sworn to on the 21st October, 1929. In this application he stated that he was a British subject by birth, and had always been one. The application further showed that he had a wife and 5 children.

Mr. Fitzgerald completed the necessary duties under the terms of his entry and patent issued in his favour on the 17th December, 1929, and was forwarded to the Registrar of the Land Registration District of North Alberta, Edmonton, on the 21st December, 1929.

I might add that there is nothing on file which would indicate that the person in question was born at Plantagenet, Ontario, although, as stated above, when filing on his homestead he stated that he was born in the Province of Ontario.

Yours very truly,

The Commissioner of Immigration,
Ottawa.

12th August, 1909.

Sir,

Referring to your file 159672, I beg to inform you that the case of C. A. Caskey has received careful consideration and it is found that the application for entry of Mr. Shinner for the SW¼ of Section 28, Township 56, Range 7 West of fourth Meridian, bears the stamp of the Edmonton office of the 9th June, 1908, whereas the application of Mr. Caskey was not received in your office until the following day. Under the circumstances, Mr. Shinner must have the land and t is will be your authority for cancelling the entry granted to Mr. Caskey and allowing Mr. Shinner to acquire it.

CANCELLED.

The fee paid by Mr. Caskey may be refunded and Mr. Shinner will require to pay the value of the improvements made by the former.

I may explain that the decision formerly given in this case was due to erroneous information submitted by Inspector Martin, who apparently got it from yourself.

Your obedient servant,

F.

Secretary.

Sir:

With reference to your statement of the 30th October last, filed here in defence of your entry for the S.E. ¼ of section 22, township 56, range 20, West of the fourth Meridian, I am to say that you have failed to state what residence you have performed in connection with your homestead, as requested in the departmental letter to you of the 2nd October, and therefore it is impossible to decide whether or not you are in default in this respect.

In a declaration made by you in January last you calim to have performed your residence on purchased land. A report from an officer of the Department subsequently received stated that you were performing your residence with your son in the vicinity of your homestead. These reports are somewhat conflicting, therefore it will be necessary for you to fill in the enclosed blank memorandum in the form of a declaration, setting forth the months and parts of months you performed your residence duties, and where, and if with your son, describe

Sir, file 137273.

I beg to acknowledge the receipt of your letter of the 9th instant respecting your homestead, the S. E. 1/4 of Section 29, Township 56, Range 20, West of the Fourth Meridian, and in reply would point out that you have not forwarded here the information required of you in Departmental letter of the 1st instant. However, in view of the evidence submitted the local agent of Dominion Lands at Edmonton is being authorized to hold over until the 1st of July next the cancellation proceedings pending by which date it will be absolutely necessary for you to fully satisfy him that you have at least eighty acres of your homestead substantially fenced, that you have suitable accommodation for at least twenty head of stock on either your homestead or on the land in the vicinity on which your residence is being performed, and that you have increased the number of your stock to at least fifteen head. If you will satisfy the agent as above in the allotted time he will abandon the cancellation proceedings, reporting his action here, but failure on your part to do so will render your entry liable to cancellation.

If you hold the S. E. 1/4 of Section 29, Township 55, Range 20, West of the Fourth Meridian, under bona fide agreement of sale there would appear to be no reason why you should not live thereon and have such

Sir,

I beg to inform you that a report has been received here from an officer of this Department in connection with your homestead, the S.E.¼ of Section 22 Township 56 Range 20, West of the 4th Meridian, and to say from the evidence submitted, you apparently are performing your residence duties by residing with your son in the vicinity of your land but you have very little improvements thereon. However, nothing further will be done in this matter at the present time, and it will be necessary for you to patisfy the Agent of Dominion Lands at Edmonton by the 1st July next, as instructed in the Departmental letter sent you on the 22nd. December last.

The aforesaid Agent is being requested to report here at the expiration of that period and I am to warn you that should it be found that you are then in default, you will probably lose your homestead.

Sir,-

Referring to your application for patent for the Fractional South West ¼ of Section 22, Township 56, Range 20, West 4th Meridian, I beg to say that as you are taking advantage of the provision in the Dominion Lands Act of the 1st of September, 1908, allowing residence in the vicinity with a son, you cannot be allowed to also take advantage of the clause in the previous Dominion Lands Act allowing the substitution of stock for cultivation, but would require to cultivate the land in each of three years, also to erect a habitable house on your own homestead.

As your last term of residence has been performed on your own purchased land, I am to say that if you continue to reside on this latter land and complete the residence duties thereon, it will not be necessary for you to erect a house on your homestead, but if you are desirous of counting the residence put in on your son's land you will then have to erect a habitable house on your homestead. The Dominion Lands Act of 1908 requires a house to be erected on the homestead in every case before issue of patent, whether the residence has been performed on the homestead or in the vicinity.

Sir:-

I beg to acknowledge the receipt of your letter of the 29th October last respecting your desire to purchase a part of the S.E.¼ of section 22, township 56, range 20, west of the 4th meridian. It is noted that the present owner only has a deed for part of the quarter section and that the balance is covered by a slough which you desire to drain in consideration of being allowed to purchase the land as reclaimed.

In reply I beg to say that patent was issued on 24th June, 1912, to Kurt Nioch for the fractional S.E.¼ of the said section 22, containing 39.2 acres. According to the township plan the marsh which covers the remainder of this quarter section also covers other lands in the vicinity and the drainage of such an area is a matter that would affect many parcels of land in addition to the one which you have applied to purchase.

As matters affecting drainage, particularly of such areas as are affected by this marsh, are under the control of the Provincial Government, this Department is not prepared to sell to you the fractional quarter section for which you have applied. I may add that it is not the policy of the Department to dispose of fractional quarter sections of

Dear Sirs:- R½ S. W. 22-56-20 West of Fourth.

Mr. Karl Beich who I believe was the original homesteader in respect to these lands obtained patent for a portion only of said quarter section which portion taking the words from the Certificate of Title "lies to the South of the South shore of Warm No. 1, as shown on a map or plan of survey of the said township approved and confirmed at Ottawa the 26th day of August A. D. 1907 etc".

The reason for the whole quarter not being patented to Mr. Beich apparently being that the land was unfit for settlement.

Notary Public, &c.

2nd Pge. W. S. C.

Mr. Beica has recently sold the said lands to Ludwig Klapstein. Mr. Klapstein has gone and seen the lands and now says that owing to the making of roads and drainage the balance of the said lands with very little exception have been made fit for hay lands etc. I am therefore instructed by Mr. Klapstein to ask your department for permission to purchase these lands not so included in the original patent from the crown as they are more useful to the owner of the remainder of this quarter than to any person else.

Will you kindly inform me whether Mr. Klapstein may have such permission and if so at what terms sale will be made?

Yours truly,

N. D. Mills,

A report from a Homestead Inspector is also required in all such cases.

Sir,

I beg to inform you that an official of the Department has furnished a report as to the area of dry land on your patented homestead, S.E. 22 - 56 - 20 - W 4th Mer. You should also forward an abstract of title showing that you are the registered owner of the balance of the quarter section. Gentlemen:-

Our client Mr. Ferdinand Busemus is not the equitable and registered owner of the above property consisting of about 40 acres. He informs us that the Marsh referred to has practically become dry and that there is only about 12 or 15 acres on the whole quarter section under water. He wished to know if he cannot obtain Title to the property which is not under water as it consists of valuable hay lands, and he being the registered owner of the other portion of the said Quarter would have the first right to obtain the Marsh lands.

Re portion of S. E. ¼ 11--50--20 W. 4th M. shown on plan of survey as covered by water.

I beg to submit the application of Messrs. Fetherstonhaugh & Great, Barristers, on behalf of Mr. Karl Tisch, asking to purchase the above mentioned lot.

It is represented that Mr. Tisch is the registered owner of the quarter section which the lot in question forms part of.

Messrs. Fetherstonhaugh & Co. state that they have been advised by their client that a large portion of the quarter section is permanently covered by water, there being only about 12 or 15 acres thereof under cultivation.

The following [illegible] report in part on the quarter section was furnished in September last:

"This land may be classed generally as [illegible] to cultivation. [illegible] for the most part [illegible] wet in places."

It will be observed from the above that a portion of section 11 is affected by the water.

I presume that the usual inspection will be obtained to determine the present condition of the land, and the value [illegible] of the same.

If the Inspector reports that the land is [illegible] all my land I propose to [illegible] sale [illegible] to Mr. [illegible] and [illegible] Title [illegible] Department [illegible] to the registered owner of the [illegible] quarter section.

I presume the Inspector will report as to the quantity of land covered by water. Can we purchase the land covered by water?

Sir,

With reference to your file No. 1395345, I enclose herewith a declaration filed by Rudolph Otto, of Bruderheim, Alta., with reference to the S.E. ¼ of 22-56-20-W. 4th, together with an Abstract of Title, showing that he is the registered owner of the patented portion of this quarter-section. You will note that he is eligible for homestead entry, and that he would like to file on the balance of the quarter as a homestead, or if he cannot do this he would like to purchase the balance in question. I enclose also his Naturalization Certificate showing that he is a British subject. He was of course advised that the land is inside the soldier reservation.

Dear Sir:- re SW¼ 22-56-20-4th - Rudolph Otto

Your letter received. We cannot understand this letter. We have never before known of a case where the owner of a part of a quarter section who acquired the land at a time when the balance was covered by water being put in jeopardy as to the water portion. In other words it seems to us that the only fair way in which this can be dealt with will be to allow the owner of the land to enter for it if eligible. If not eligible as a homesteader then surely Otto ought to be given the right to purchase.

Yours truly,

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of day of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

I beg to acknowledge the receipt of your letter of the 6th instant, file No. 137273, relating to the S.E.¼ of Section 22, Township 56, Range 20, West of the Fourth Meridian, and to inform you that the action as outlined in my letter of the 29th ultimo is in accordance with the invariable departmental practice which requires that in the event of Dominion lands becoming available for homestead entry, they shall be posted and disposed of over the counter at the office of the Agent of Dominion Lands within whose district the land is situate, to the first eligible applicant.

not believe anybody else would apply for entry as he had a portion of the quarter section.

On the 23rd instant, Mr. Samuel Edward Bolton, a Returned Soldier, called and applied for entry for this land. I felt at first indisposed to take his application, on account of Otto holding a portion of this quarter, however, as the posting had been done under instructions from the Department, I took his application but did not accept his fee which he tendered, and told him the situation with regard to Otto, and that Otto intended making application for entry as soon as the land was available for civilians. I told Mr. Bolton that so soon as Otto made his application, I would submit both to the Department for a decision as to whom the entry should be granted. As the matter now stands, Mr. Otto did not appear on the 25th, nor has he appeared today, the 26th, and Bolton's is the only legal application received for entry for this land.

Mr. Bolton, through his representative here, Colonel Weaver, again tendered an entry fee today, and Mr. Weaver informs me that there is a likelihood of Bolton buying out Otto's interest for the balance of this quarter section.

I enclose a copy of the protest filed by Messrs. Short & Cross, to the granting of entry to anyone other than Otto. Will you please advise me if I am to grant entry to Bolton.

Dear Sir:-

With regard to the undisposed portion of the SE_4 21-56-20-4th, Alberta, on behalf of Rudolph Otto we protest against any other person being allowed to homestead the above, that is to say Mr. Otto is the owner of the balance of the quarter section, the delineation of the boundary between his land and the undisposed portion would be a matter of practical impossibility and as we read the letter of the Controller under 1395345, dated 29th April 1921, Mr. Otto has the prior right to homestead the undisposed portion. May we therefore urge his right to be given to this entry to the exclusion of all others as the circumstances seem to justify?

On the 21st of May, Mr. Rudolph Otto, who holds 39 acres of this land by purchase, called at this office with Mr. Short, of the above mentioned firm, and desired to secure an entry for this land. He was informed that in accordance with the instructions, the land was only available to an eligible Soldier settler who had land adjoining, on that day, and that it would only be open to civilian entry on the morning of the 25th. Memorandum;

Formerly submerged portion of the S.E.¼ of 22--56--20. W. 4th M.
Shown on the sketch herewith outlined in pink.
Containing 107.5 acres.

Application has been made by Messrs. Short, Cross, MacLean & McBride, Barristers of Edmonton, for Mr. Rudolph Otto, the owner of the patented portion of the quarter section above described, shown on the sketch outlined in green, to be permitted to make homestead entry for the said formerly submerged portion.

The Soldier Settlement Board offered no objection to the parcel applied for being disposed of, and in accordance with your decision as endorsed on the memorandum, marked, of the 25th April last, Messrs. Short, Cross, MacLean & McBride, were advised on the 29th idem that the Agent of Dominion Lands, Edmonton, was being instructed to have the parcel in question made available for homestead entry by posting in the usual manner and to advise Mr. Otto of the date when the same would become available.

Under date the 6th ultimo, Messrs. In this connection I would invite your perusal of the letter of the 27th ultimo from the Agent of Dominion Lands, Edmonton, together with the copy enclosed of the letter of the 20th idem from Messrs. Short, Cross, MacLean & McBride.

It may, under the circumstances, be considered advisable to permit Mr. Samuel C. OTTAWA. 12th January, 1925.

Sir:

Frl. S.E.¼ 22-56-20-W.4th M.,
Homestead of S.T. Bolton,
Your file - 137273.

I beg to acknowledge the receipt of your letter of the 4th ultimo and to return herewith the application for patent for the land above described, together with Certificate of Title of Fractional South-East quarter of Section 22, Township 56, Range 20, West 4th Meridian, the land whereon the homesteader performed the residence duties.

I am to inform you that as Mr. Otto has failed to avail himself of the privilege given him to purchase the 20.10 acres lying between the land for which Mr. Bolton has applied for patent and the Fractional South-East quarter of Section 22, Township 56, Range 20, West 4th Meridian, whereon he has performed his residence duties, it has been decided to add the 20.10 acres to Mr. Bolton's entry.

Be good enough to note this addition in your records.

The residence performed by Mr. Bolton on the Fractional South-East quarter of Section 22 may be accepted. It will be necessary for a Homestead Inspector to furnish a report as to whether the cost of breaking twenty acres on the above land is the equivalent in cost of breaking fifty acres of ordinary prairie land.

When the report is received by you, if you are satisfied to recommend the application, kindly do so.

Your obedient servant,

Dear Sir:

Mrs. Anna Maria Hall.
Your Ref.-Mrs. Anna M. Price, widow.
File - 1856).

I have your letter of the 6th instant, and in reply I am to state that when making application for patent for the above described parcel of land on the 5th July, 1911, Mrs. Anna Maria Hall, formerly Mrs. A. M. Price, stated that she was 43 years of age.

In her application for patent she claimed she was a British subject through the naturalization of her husband, O. Hall, whom it would appear was naturalized on the 17th November, 1905. Apparently this document was subsequently returned to the homesteader.
